

## **Determination of New Organism**

Pursuant to section 26 of the Hazardous Substances and New Organisms Act 1996 (“Act”), the Environmental Protection Authority hereby determines that

*Propionibacterium acidipropionici*

is not a new organism for the purpose of the Act.

Dated at Wellington this 1st day of July 2015.

LOUISE MALONE, Chair, Decision-making Committee of the Authority.

2016-au1853
